

**Simple Interact**  
More patients. Less paperwork.

## Your Intake Process Is Slowing Down Your Patient Flow

Average overall portal adoption rate across the country is 29 percent.

– Athena Research

2 minutes saved per patient visit could mean 2 extra visits per day.

– Practice Efficiency - ACP Online

### Your HIPAA-compliant Online Intake Forms Solution

*Easy to Access. Secure. Ultra Customizable.*

**Step 1**

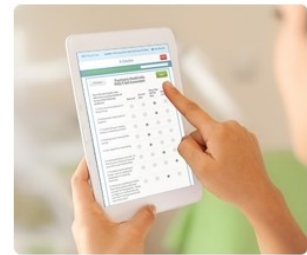

Patients complete online forms without logging into a patient portal.

**Step 2**

Staff speed up patient flow by processing forms prior to patient arrival.

**Step 3**

Patients who have not completed paperwork before arrival use tablet kiosk.

- White glove service: Form customization is done for you
